

The Audi Q8

Be bold. Be noticed.

The muscular design and athletic contouring of the Audi Q8 lend it an imposing stance and significant road presence. From the aggressive honeycomb Singleframe flanked by large air inlets, past the wide wheel arches and down the elegant slope of the coupe roof line, this vehicle conveys a feeling of power and sophistication.

Powerful yet refined.

The powerful 3.0 liter V8 TFSI engine with 340 hp and a maximum torque of 500 Nm paired with permanent quattro drive and an 8-speed tiptronic gearbox delivers pure driving exhilaration in the Audi Q8.

Luxurious charm meets impressive functionality.

The Audi Q8 is the ultimate fusion between a luxury coupé and a large SUV. Form meets function in the generously proportioned interior, the largest in its segment, which provides for luxurious passenger comfort or an impressive luggage capacity of 1,755 liters with the rear seats folded down.
